DEPARTMENT OF ECOLOGY  
SPOKANE REGIONAL OFFICE

AFFIDAVIT OF PUBLICATION

State of Washington, County of Stevens, ss.

Patrick J. Graham being first duly sworn, deposes and says that he is publisher of THE STATESMAN-EXAMINER, a weekly newspaper printed and published at Colville, Stevens County, Washington, and of general circulation in said county and state, and that the notice, of which the annexed is a printed copy, was published in the regular and entire issue of said newspaper for a period of 2 consecutive weeks; that the first publication thereof was made on the 7th day of December, 1978, and the last publication was made on the 14th day of December, 1978, and that said newspaper was regularly distributed to its subscribers during all of said period, and that the said notice was published in said newspaper proper and not in supplement form.

And affiant further swears that THE STATESMAN-EXAMINER is a legal newspaper and has been established, published and circulated continuously, as a weekly newspaper, published in the English language, in the said City of Colville for at least six months prior to the date of the first publication of the notice referred to in this affidavit, that the full amount of fee charged for said publication is \$                    , and said fee has been paid in full.

That the said newspaper, THE STATESMAN-EXAMINER, as by law provided, was approved as a legal newspaper, on May 7, 1948, by order of the Superior Court of the State of Washington, in and for the County of Stevens, in which county said newspaper is published.

STATE OF WASHINGTON  
DEPARTMENT OF ECOLOGY  
NOTICE OF STATE WASTE  
DISCHARGE PERMIT APPLICATION NO. 5287  
TAKE NOTICE:

That Callahan Mining Corporation located at the old Van Stone Mine 20 miles northeast of Colville, Washington has filed an application for a state waste discharge permit to mitigate non-point source pollution of Onion Creek from abandoned tailings impoundments and open pit lead and zinc mine in compliance with the department's Water Quality Standards.

This application is for a new permit to replace the existing National Pollutant Discharge Elimination System (NPDES) Permit No. WA-004497-1 which expires on May 14, 1980.

The approximate location of the project is 48° 46' latitude and 117° 45' longitude within Section 33 of Township 38N., Range 40 E.W.M. in Stevens County.

Any person desiring to express his or her views or to be notified of the department's action on this application should notify the department in writing of his or her interest within thirty (30) days of the last day of publications of this notice. Publication dates of this notice are Dec. 7, 1978 and Dec. 14, 1978.
